

16. Jesus Christ Is The Way

The true God has revealed Himself in the Bible. We may know Him as our God only by faith in Jesus Christ. Jesus Christ is called “the Son of God” not because God has given birth to a son but because His relationship to God the Father is unique, from eternity. As God and Man in one Person, His death on the cross is the perfect sacrifice to save sinners. His resurrection from death shows that the salvation of His chosen people is accomplished. He will one day return to judge the world. Whoever repents of his sins and trusts in Jesus Christ alone to be saved will be given everlasting life.

Through the centuries, many people have poured scorn on the message of the Cross, i.e. this message of salvation. God, however, uses it to save those who believe. Lives have been transformed and nations have benefitted as a result.

We are now at the crossroads. You may have everlasting life through faith in Jesus Christ, or you may continue without trusting in Christ and bear the consequences of your own sins. You have read up to this point, and the message is having an effect upon you. I urge you to repent of your sins and trust in Jesus Christ now. You may seek mercy from God by praying with words like these:

“Heavenly Father, I have sinned against You in so many ways. I am unable to save myself. I depend on Jesus Christ alone to save me. I believe He is the Son of God whose death on the cross alone can cancel my sins. I plead for forgiveness for all my sins, and desire to live a new life of obedience to Your word. I pray all these in Jesus Christ’s name. Amen.”
