

Year Of The TIGER

The tiger is regarded as *the king of the jungle*, while the lion is *the king of animals*. Both belong to the cat family. It is academic to decide which is the more powerful. The Bible not only describes Jesus Christ as “the Lamb of God”¹, but also as “the Lion of the tribe of Judah”². This is for at least three reasons.

Firstly, *Jesus Christ is the promised Saviour of the world*. The prophets had foretold the coming of a Saviour. One prophecy was that He would be a king who descended from the tribe of Judah in Israel³. When Jesus Christ was born, wise men came from the east to worship Him⁴. Jesus Christ came to establish the rule of God⁵. Those who believe in Jesus Christ crown Him as King in their hearts⁶.

Secondly, *Jesus Christ is able to save all*, and the worst of, sinners⁷. When wicked men nailed Him to death on the cross, they did not realise that it fulfilled God’s plan of salvation. By His death, Jesus Christ bore the punishment of sin for His people⁸. He rose from death on the third day, showing that His death has successfully paid for the sins of His people.

Thirdly, *Jesus Christ will judge the world*. When He returns, everyone will be resurrected to face the final

judgement⁹. Those who have not trusted in Jesus Christ will have to bear the punishment of their own sins, which is everlasting damnation in hell. Those who have trusted in Jesus Christ will be taken to dwell on the new earth, in the new heavens, in which righteousness dwells¹⁰.

In this year of the tiger, will you find peace with God through faith in Jesus Christ? He is truly “the Lion of the tribe of Judah”!
